

Dear Marty,

I hope that I have been encouraging enough to you. This whole transaction has been a veritable minefield with no real way of discerning what might be coming next.

Your style has been impeccable, your sense of diplomacy and straight forwardness has been inspiring. I would like to see this harvest through as clearly (and with as few hard feelings) as possible, which you seem to be doing precisely.

Even though I have not met you in person, I have complete confidence in your character and work, and a deep sense of "peace of mind" regarding it all (even in these somewhat difficult circumstances).

In other words, crossing paths with you and Iowa Land Service has been a complete blessing for me and my family.

I am confident this land will sell.
